

Type 1 Diabetes Education Event

We welcome you to the **Type 1 Diabetes Family Centre** for an update on the latest information regarding the management of Type 1 Diabetes along with the opportunity to tour the facilities available to your patients and their families. Find out more about:

- New technologies
- Updates on current research
- Hypoglycaemia prevention strategies
- Dietary strategies
- Sick day diabetes management

Presenters:

Dr Joey Kaye MBBS FRACP PhD – Consultant Endocrinologist

Department of Endocrinology and Diabetes, Sir Charles Gairdner Hospital

Joey is a senior lecturer at UWA and vice president of Diabetes Research WA. He is a graduate of UWA and completed his PhD in stress neuroendocrinology at the University of Bristol, UK.

Amy Rush APD CDE – Credentialed Diabetes Educator

Type 1 Diabetes Family Centre

Amy is the winner of the national Credentialed Diabetes Educator of the Year Award 2018 for her innovations in diabetes care. Amy has keen interests in a food-first approach to diabetes management and in the uses and applications of diabetes technology.

Bec Johnson MPH LLB/BA Dip Bus (Governance) – CEO and Founder

Type 1 Diabetes Family Centre

Diagnosed with Type 1 Diabetes in 2001, Bec is an Adjunct Research Fellow at Curtin University, a Fellow of the Australian Institute of Community Directors and a Fellow of Leadership WA.

Bec believes that there are no limits on a life with Type 1 Diabetes, and to prove it she has twice swum solo across the 20-kilometre Rottneest Channel, sailed across the Atlantic, and become a SCUBA dive guide.

When: Tuesday 16 July 2019
Time: Registrations and light dinner from 6:00pm
6:30 – 8:30pm
Where: Type 1 Diabetes Family Centre
11 Limosa Close, Stirling
