This activity has 4 Category 2 QI&CPD points through RACGP

Presentations include:

- Navigating the Aged Care System by Alison Morcombe, Senior Social Worker, Department of Aged Care and Rehabilitation at Bentley Health Service
- Optimising the Care of the Older Patient – Overview of Services and Collaboration with Primary Care by Dr P.K. Loh, Department of Aged Care and Rehabilitation at Bentley Health Service
- GP Aged Care Hub Experience in Cloverdale by Dr Pradeep Jayasuriya at Next Practice Cloverdale, Dr John Kerr at Cloverdale Family Practice and Dr Bryan Meyerkort at Kooyong Medical

Learning Outcomes:

1. Identify and better manage older patients with co-morbidities in the community
2. Access local specialists and allied health to better manage people with co-morbidities in the community with the support of a multidisciplinary team
3. Describe how to navigate My Aged Care
