

Immunisation and Cancer Screening Education

Join us for our biannual Immunisation and Cancer Screening update for general practice staff, presented with the support of our partners including:

- **Immunisation update including AIR access changes from authentication file to PRODA, vaccine wastage reporting, catch up scenarios and schedule updates**
Education Officer, Metropolitan Communicable Disease Control (90 mins)
- **Cervical Screening Update**
Kay Morton, Education Officer, WA Cervical Cancer Prevention Program (30 mins)
- **BreastScreen WA Program Update and the Health Promotion in the Practice initiative**
Health Promotion Officer, BreastScreen WA (15mins)

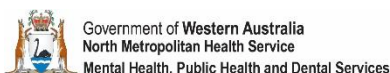

Please bring along your questions for our subject matter experts. These sessions will be interactive to provide support for practice staff in these areas.
