

Parents and family concerned about a family member's alcohol and other drug use

At the completion of this event, practice nurses will be able to:

- Discuss the prevalence of alcohol and other drug use.
- Discuss reasons why people use alcohol or other drugs.
- Explain the characteristics of problematic alcohol and other drug use.
- Support parents to understand what they can and can't do to help their child who may be experiencing alcohol or other drug-use problems.
- Identify State & local alcohol & other drug support services & resources available.
