

Virtual Community of Practice

COVID-19: Staying Safe in General Practice

Thursday 23 April 2020, 7:15pm - 8:15pm

Join our virtual community of practice to hear from the experts on how to stay safe physically and emotionally for you, your practice team and your patients. Facilitated by Geraldine Mellet.

Speakers:

Dr Geoff Riley - Professor of Rural and Remote Medicine and Honorary Senior Research Fellow, Faculty of Health and Medical Sciences, UWA Medical School.

Dr Richard Choong - Chair of Australian General Practice Accreditation Limited and WA Primary Health Alliance.

Charmaine Dalton - Registered nurse with two decades of experience in healthcare including governance, quality and safety expertise.

Topics:

- Infection control
- Personal Protective Equipment (PPE)
- Emotional safety
