

# Virtual Community of Practice

## COVID-19 Future proofing general practice heading into flu season

Thursday 21 May 2020, 7:15pm - 8:15pm

WA Primary Health Alliance continues its Virtual Communities of Practice series with Heading into flu season, the first of three webinars designed to help future proof your general practice. This discussion facilitated by Geraldine Mellet will cover concerns from practices and provide reassurance at this time of transition.

### Panel members:

- Dr John Dyer, Adult Infectious Disease Specialist
- Dr Christopher Blyth, Paediatric Infectious Disease specialist
- Dr Richard Choong, Perth GP and Chair, WA Primary Health Alliance
- Dr Belinda Wozencroft – GP representative
