

WA Syphilis Outbreak update for clinicians

The Department of Health Communicable Disease Control Directorate (CDCD) has partnered with the Royal Australian College of General Practitioners (RACGP) to bring you an update on the Western Australian syphilis outbreak.

Date: Thursday 16 March 2023

Time: 7pm to 8pm AWST

Topic

This webinar will focus on key updates relating to the syphilis outbreak in the primary healthcare setting, and will cover:

- **WA syphilis epidemiology update**
Dr Alex Shivarev, Public Health Registrar, CDCD
- **GP update, testing opportunities, and priority populations (incl. congenital syphilis)**
Dr Grace Phua, General Practitioner, Metropolitan Communicable Disease Control
- **Case study**
Dr Daniel Hunt, General Practitioner, Derbarl Yerrigan Health Service
- **Q&A session**

Facilitator: Dr Ramya Raman, RACGP WA Faculty Chair

A link to the webinar recording will be available after the session.
