2023 Changes to the NIP: A New Paediatric Solution

WEBINAR DETAILS

Our webinar will be presented by our very own trainer, Nadine Henare.

There's a new hexavalent vaccine in town.

Join this free webinar and learn about this new product solution, specific changes to the NIP, product features, advice on managing multiple hexavalent options, and how this will impact you as an immunisation practitioner in Australia.

In this webinar we will cover:

- What is changing on the NIP?
- Details on the new hexavalent vaccine
- Indication and Administration
- Safety & Co-administration
- Key Product Features
- Product Availability
- Available educational materials

The webinar will go for 1 hour with 45 mins of content and 15 minutes of Q&A. This webinar will not be recorded.
