HealthPathways WA
Clinical decision support

Session Details:

This education event will support GPs in providing care to patients with dementia by:

- Outlining best practice principles related to diagnosis and subsequent care
- Demonstrating the use of HealthPathways to guide assessment and management
- Identifying locally based self-referral services for patients and their carers

Wednesday 29 March, 2023

5.30pm - 7.30pm

30min networking/canapes and 90min education session

WA Primary Health Alliance, Level 2/1 Hood Street, Subiaco.

For registration and sessions details [click here](#) or scan the QR code

Open to all GPs and practice/aged care nurses

“Dementia is a significant and growing health and aged care issue in Australia that has a substantial impact on the health and quality of life of people with the condition, as well as their family and friends.” - Australian Institute of Health and Welfare, 2022
