Working together to explore the role of digital health along the ear health pathway

WA EAR AND HEARING DIGITAL HEALTH FORUM

FRIDAY 19 NOVEMBER 2021 | 7.30AM-5.00PM | PARMELIA HILTON PERTH

Following the June 2021 WA Ear and Hearing Telehealth Forum, health professionals are invited to join us at this one-day event to:

- Continue to explore the role of telehealth and digital health across the patient's ear health journey and lifespan.
- Identify statewide capabilities where telehealth and digital health resources and systems are working well, and where improvements can be adopted.
- Learn practical applications of digital health, including a live demonstration of an ear telehealth consult.
- Learn and identify culturally-inclusive practices for Aboriginal people and families.
- Hear from leading WA researchers supporting ear and hearing health.
- Participate in hands-on interactive upskilling and education on current guidelines and protocols.
- Engage and network with other health professionals and providers working to reduce the burden of ear disease.

WHO SHOULD ATTEND

- Clinical practitioners (GPs and nurses)
- Aboriginal health workers and practitioners
- audiologists
- ear, nose and throat (ENT) surgeons
- ear health coordinators
- primary healthcare service providers
- researchers.
