

# Byford Health Hub

## Are you a health and/or social care provider who wants to deliver services in Byford?

The Byford Health Hub is a new way of delivering care to the community. Service providers that are interested in being part of the future Byford Health Hub can now register their interest via the Request for Information (RFI) on [Tenders WA \(Tenders WA | Display Tender EMHSBHHRFI18092023\)](#). The Byford Health Hub is a great opportunity for services to be provided in a true ‘place based’ model of health and social care in the Serpentine Jarrahdale region.
