Working together to explore the role of telehealth along the ear health pathway

WA Ear and Hearing Telehealth Forum 2021

**SAVE
THE
DATE**

Friday 11 June 2021 | 9.00am-5.00pm, Esplanade Hotel Fremantle by Rydges

Health professionals and service providers are invited to join us at this one-day event to:

- Explore the role of telehealth across the patient's ear health journey and lifespan.
- Identify statewide telehealth capabilities, where telehealth systems are working well and where improvements can be adopted.
- Share knowledge and skills to improve healthcare delivery in Aboriginal communities through innovative telehealth solutions.
- Participate in hands-on interactive upskilling and education on current guidelines and protocols.
- Learn practical applications including use of technology and culturally-inclusive practices for Aboriginal people and families.
- Engage and network with health professionals and service providers working to reduce the burden of ear disease.

WHO SHOULD ATTEND

- Clinical practitioners (GPs and nurses)
- Aboriginal health practitioners and workers
- Audiologists
- Ear, nose and throat surgeons
- Ear health coordinators
- Primary healthcare service providers
- Researchers

REGISTRATION

\$99 including GST

Travel support is available for currently practising health professionals and ear health coordinators who work and live in rural and remote Western Australia.
