

# GP EDUCATION 2022

*Presented by South Metro Health Service, Rockingham Peel Group in partnership with WA Primary Health Alliance*

This GP Educational Event is an opportunity to develop relationships with the specialist staff at Rockingham General Hospital in an interactive, supported learning environment. With the number of changes to services, and the availability of new therapies, this event aims to inform general practitioners what Rockingham General Hospital has to offer.

## Topics:

- Ante-natal Shared Care at RGH
- Orthopaedic Injury Referral Pathways at RGH
- Simulation Exercises in Management of Status Epilepticus, Anaphylaxis & Cardiac Arrest
- Review of the Updated Guidelines for Polyp Follow Up
- Palliative Care, Advanced Health Directives & Hospice Referrals
- Immunotherapy: The Changing Treatment Landscape
- Question & Answer Session with Specialist Panel

## Specialist Panel:

- Consultants from ED, ICU, O&G, Surgical, Medical, Palliative care, Oncology, Orthopedics, Advanced scope physiotherapists
