

We are looking for GPs and Practice Nurses to help us improve bereavement support for older people

The Melbourne Ageing Research Collaboration, led by the National Ageing Research Institute, is conducting an interview study on grief and its effects on mental health and healthcare use in bereaved older people. We would like to hear more about your clinical experiences with grief in older people.

To participate, you need to be:

- A GP or practice nurse in Australia.
- Regularly working and/ or caring for patients aged 65 years or older.
- Able to read and write in English.

Participation will involve a **1-hour interview** (via Zoom or telephone).

We offer a **\$75 Coles-Myer Gift Card for practice nurses**
and a **\$145 Coles-Myer Gift Card for GPs**
per completed 1-hour interview.

If you would like to know more or
are interested in participating, please contact:
