Childhood Asthma – Hot Topics

Webinar Education Session

You are invited to attend a free Health Professional Education webinar on 'Childhood Asthma – Hot Topics' Registration details in the invitation below.

With the recent changes to the PBS regarding commonly prescribed Flixotide Jnr it has led to more confusion around how to treat childhood asthma. Dr Oo will provide answers to the common questions we are being asked.

Session topics

- Can you diagnose asthma under 4 years
- Treatment options for childhood asthma

To register, scan the QR code and fill out the online registration form.

Date: Tuesday 13 June 2023
