## Interpreting Spirometry

Webinar Education Session

You are invited to attend a free Health Professional Education webinar on 'Interpreting Spirometry' Registration details are in the invitation below.

May is our Spirometry month – This webinar follows on from the 'Introduction to Spirometry' to provide information on interpretation. You know how to perform spirometry but what do the results mean?

### Session topics

- Identify normal spirometry
- Compare and contrast normal spirometry with obstructive, restrictive and mixed obstructive–restrictive patterns
- Assess bronchodilator response
