### Event topics:

This webinar will assist primary health care nurses and Aboriginal health practitioners with navigating the Australian Immunisation Register (AIR).

Michele Cusack is returning to discuss the following topics:

- Recording encounters in AIR.
- Downloading and using 10A reports.
- The new 42A reports.

### Event details:

 Thursday 31 August 2023

 5pm – 6pm (AWST)

GUEST SPEAKER

### Michele Cusack

Michele is a senior member of the Australian Immunisation Register's Business Development Officer Team, whose responsibility it is to improve the accuracy, timeliness and ease of immunisation notifications to AIR through online self-serve channels.
