Head to Health Kids Hub community engagement workshop

We are looking for young people who are currently aged 18+, but who experienced mental health challenges between the ages of 0-12 to inform a mental health service, or their carers.

Tuesday 23rd May 2023

9:30am – 12:30pm in Midland (in person) &

5:30 – 7:30pm (online)

We are Tracy and Niall, community engagement consultants from a partnership called *wellrounded*. We engage with families, caregivers and young people who have a Lived Experience of mental health challenges. This engagement will inform the needs of the proposed *Head 2 Health Kids Hub (H2H Kids Hub) mental health service* in the City of Swan.

We would love to hear your ideas and wisdom on how a mental health service can best support children aged 0-12 and their families. You can expect a relaxed and informal setting with plenty of refreshments provided on the day. All participants will be paid.

Numbers are limited, and expressions of interest close at **5pm on Friday 12th May 2023**. Please apply by [clicking this link](#) or scanning the QR code and filling in the sign up form:

* Please note that other than carers, we are only able to engage with young people who are currently aged 18+, but who experienced mental health challenges between the ages of 0-12.

For any queries please contact Georgia on Georgia.anderson@mhc.wa.gov.au or 6553 0548.
