

WAPHA GP LEARNING

National Lung Cancer Screening Program

Join us for an informative webinar about the newly released National Lung Cancer Screening Program.

This webinar will feature videos of Professor Fraser Brims from the Institute for Respiratory Health as well as the following guest speakers:

- John Lee from the National Cancer Screening Register.
- Dr Claire Forde from WA Primary Health Alliance.

Webinar topics:

- The National Lung Cancer Screening Program.
- The importance of integrating the National Cancer Screening Register into software.
- The new Clinician Assist pathway about the National Lung Cancer Screening Program.
