

## **My Community Directory** *Dementia Community Services and Support Finder*

This resource supports the community to understand local dementia care and support options available that take a quality-of-life, plan for the future approach, to reduce the emotional impacts of living with dementia. This resource may be useful for GPs, practice nurses, practice staff, patients, their carers and family.

The resource provides specific information relating to living with dementia and a directory to assist in locating services. To access the resource, use the QR code below and put in your post code.

### **Instructions**

1. Open the Camera app\* and select the back-facing camera.
2. Hold your phone so that the QR code appears in your viewfinder.
3. Your phone will recognise the QR code and give you a notification.
4. Tap the notification to open the link associated with the QR code.

The resource can also be accessed using this link and putting in your post code:
