

WAPHA LEARNING

Nurse Forum: Celebrating and Advancing Primary Care

WA Primary Health Alliance (WAPHA) invites you to attend the Nurse Forum: Celebrating and Advancing Primary Care.

This in-person evening event has been designed to recognise and support practice nurses working in general practice across the Perth metropolitan region.

The forum will offer valuable networking opportunities and deliver tailored professional support for general practice nurses, fostering peer connection, shared learning and practical tools to enhance their role in primary care.

Event highlights:

- Keynote address: "The Role of Practice Nurses in a Digitally Competent Health System" by Helen Storer from the Australian Primary Health Care Nurses Association (APNA).
- Light refreshments.
- Showcase of WAPHA's Primary Care Portfolio.
- Presentations from the following WAPHA teams:
 - Quality Improvement.
 - Greater Choice for At Home Palliative Care.
 - Digital Health.
 - Immunisation and Cancer Screening.
 - Clinician Assist.
 - Practice Assist.

To register for the forum, [click here](#) or scan the QR code above.
