CPD Subsidy Support Program

Practice nurses, practice managers and GPs can apply for funding to support the costs of completing postgraduate courses, short courses, workshops, conferences and seminars up to the value of \$5000 through the CPDSS program.

Courses and activities do not need to be accredited, but will be assessed by Rural Health West for relevance, value for money and the likelihood to meet the identified need. Training or upskilling must be directly related to improving workforce needs, skill shortages and identified health needs in the Peel region.

Funding can be used towards:

- Courses or workshops (online or face-to-face)
- Short courses or conferences
- Postgraduate courses
- Reasonable travel and accommodation expenses, where appropriate.

All funding is via reimbursement through a claim process. Grantees are required to pay for course, travel and accommodation costs upfront. Applications must be sent to Rural Health West prior to the commencement of the course.

PLEASE NOTE: Funding must be reimbursed prior to June 30 2023.
