

WAPHA GP LEARNING

Paediatric Weight Management Event

The Perth Children's Hospital Healthy Weight Service and WA Primary Health Alliance invite GPs to a face-to-face event focused on effective weight management strategies.

This RACGP-accredited event will combine interactive learning with case study workshops, providing a well-rounded educational experience.

The following topics will be covered during the event:

- Raising the issue when weight is not the primary concern.
- The language of weight management.
- Goal setting with patients.
- Local opportunities, where to go for information and resources, and referring on.
- How to improve dietary intake.
- How to improve physical activity.
- Pharmacotherapy.

There are 50 places available for GPs at this event.
