Engage, Share, Connect

Are you interested in exploring what it really takes to build genuine partnerships between consumers, community and the health sector?

This interactive half-day forum will explore real-world experiences of working in partnership from different perspectives to:

- Explore how we can work more effectively together
- Motivate people to confidently engage and build real partnerships
- Create purposeful networks and connections that will help drive change
- Inform next steps for progression of Recommendation 4

There will be a deliberative panel discussion and we'll explore the strengths, challenges, key learnings and unexpected outcomes of engagement and partnership.

Join us to build the
momentum!
