

# Cancer Screening Update for Practice Staff

Presented by WA Primary Health Alliance with WA Cervical Cancer Prevention Program, Cancer Council WA & BreastScreen WA

Join us for the return of our Cancer Screen Update for general practice staff.

## This presentation will cover:

- National Cervical Screening Program: Expansion of self-collection
- HealthPathways WA demonstration and update – specifically around the Cervical Screening pathway
- Who can have a BreastScreen and how are we being COVID safe?
- National Cancer Screening Register: Digital access to participant bowel and cervical screening data
- National Bowel Cancer Screening Program - Reducing bowel cancer burden through screening
