## How to view Medicare information

Medicare information is collected by Services Australia and/or the Department of Veterans' Affairs (DVA) and is available on your My Health Record.

### Information from Medicare

Up to two years of past Medicare data may be added to your record when you first get one, including:

- Medicare and Pharmaceutical Benefits Scheme (PBS) information held by Services Australia
- Medicare and Repatriation Schedule of Pharmaceutical Benefits (RPBS) information stored by the Department of Veterans' Affairs (DVA)
- organ donation decisions
- immunisations that are included in the Australian Immunisation Register, including childhood immunisations and other immunisations received.

1. Hover your mouse over the 'Documents' tab at the top of your My Health Record. Click on the 'Medicare Overview' option.
2. Apply a filter as required.

## Medicare Overview ⓘ

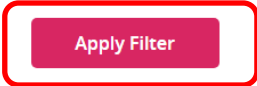

This is a list of Medicare information sourced from the Department of Human Services that is included in this My Health Record. This may include information about your medical and pharmaceutical claims, organ donor decisions and immunisations.
