

Performance Review

Medical Receptionist

This template is designed to be used together with the Medical Receptionist Position Description template, which outlines the responsibilities and requirements of the role.

Information for the reviewer

Before the performance review, ask the employee to complete the different sections in this document and return it to you at least two days before the review.

During the review, use this document to record:

- how the employee thinks they have performed against each of their key responsibilities
- feedback or concerns from the employee
- the employee's career goals for the future
- the goals that you and the employee agree on for the next performance cycle and the support that you will provide to help the employee achieve their goals (e.g. training).

Information for the employee

Before your performance review, complete the different sections in this document and return it to the reviewer at least two days before your review.

During your review, you will be able to:

- reflect on your work during the performance cycle
- receive appreciation and recognition for your achievements
- raise problems and resolve issues arising from your work
- discuss your hopes and expectations for the next performance cycle
- set your career goals for the future
- discuss training and development opportunities to improve your performance and further your career.
