🖊 Downloads 🛛 🖈	Primary Sense Patients mis	sing PIP QI or accreditation	Measures.csv	13/(	)6/2023 11:12 AM

Open the CSV file, format it according to what is required by the practice's SMS system, and then upload it into the SMS system.

The internal ID, as used by your practice management system software, identifies the patient to send SMS communication to. Tabs enable quick deletion of rows of patients.
