

# Endometriosis in Primary Care

## Diagnosis, Management & Referral Pathways

**TUESDAY 30 JUNE 2026 | 6.00PM–9.00PM**

Dinner provided. Places are limited.

**Free for Goldfields Health Professionals Network members.**

**Plaza Hotel, 45 Egan Street, Kalgoorlie**

Topics include:

- Endometriosis diagnosis and management within a primary GP care setting
- Referral pathways
- Current best practice approaches to care

**Presented by Dr Joanna Keen, GP Obstetrician**

Joanna is a GP Obstetrician who has lived and worked in Kalgoorlie for the past 11 years. She has previously worked in private GP practice and currently works for two Aboriginal Medical Services in the Goldfields, in addition to providing on-call services for the Obstetrics and Gynaecology department at Kalgoorlie Hospital. She is passionate about increasing the knowledge and confidence of other GPs in the Goldfields regarding best practice in women's health.
