

Course in Ear Wax Removal (Microsuction)

11031NAT

Date Thursday 10 September 2026
8:45am - 4:30pm

Venue Quest East Perth
176 Adelaide Terrace
EAST PERTH
WA, 6004

Cost \$600 (Inc. GST)

Value for Organisations

Microsuction is a strategic treatment option for ear health, whether it is a foreign body or wax removal that is required. This course requires a strong understanding of the anatomy and physiology of the ear. Build the knowledge of when to use microsuction, as a technique, with practice and assessments using mannequins to enhance capability, and strengthen patient care.

Learning Outcomes

- Establishing the need for microsuction and assessing the client's physical and pathophysiological auditory status.
- Applying the fit and use of a binocular headworn microscope.
- Examine and select the tools required to perform ear wax removal.
- Classify and prepare equipment for microsuction.
- Perform ear wax removal and/or ear canal microsuctioning procedures if deemed appropriate and safe.
- Provide post-procedure care.

As an RACGP accredited provider, our Course in Ear Wax Removal (Microsuction) is the first of our courses to be RACGP accredited activity. We are accredited in:

- Reviewing Performance - 2 Hours
- Educational Activities - 2.5 Hours

We are also a CPD Home Certified Learning Provider and our Course in Ear Wax Removal (Microsuction) is an Accredited CPD Activity.
