GP Engage Event

New and Developing Care Pathways for Vulnerable and Complex Patients

Join local GPs, healthcare providers and system partners for an evening of practical updates, networking and collaboration focused on improving care for older adults and patients with complex needs. Discover emerging care pathways, community services, specialist supports and aged care reforms that are shaping care across the South Metropolitan region.

Attendance certificates will be provided following the event. Participants may self-record up to 3 CPD points.

Venue

SMHS Older Adult Health Hub
11 Wentworth Parade, Success
Free parking on site

Date & Time
