

# RG SEM PRACTICE INFORMATION SESSIONS

45-minute online sessions via Microsoft Teams for practices to learn about the trial, how to participate and what benefits we offer.

The Rural Generalist Single Employer Model (RG SEM) trial supports RG trainees to complete training across hospital and primary care settings while remaining employed by **WA Country Health Service (WACHS)**.

## WHAT'S IN IT FOR YOUR PRACTICE?

### WACHS RECRUITMENT POOL FOR GP REGISTRARS

Access a pipeline of RG trainees looking for GP training experiences.

### SALARY & ENTITLEMENTS PAID BY WACHS

Trainees remain employed by WACHS, simplifying employment.

### ATTRACT & RETAIN A RURAL WORKFORCE

Support training pathways that encourage trainees to live and work in your region.

### STRONG PARTNERSHIPS, STRONGER WORKFORCE

This trial is supported by the GP colleges, RDAA, GPRA, GPSA and key rural health training partners.

## SESSION OPTIONS

*Choose the session that best suits you*
